

International Conference on Forensic Science Education and Training

7 June 2019 University of Aveiro – Portugal

Call for Abstracts

Dear colleague,

You are invited to join the Euro4Science 2.0 - International Conference on Forensic Science Education and Training, the 7 June 2019 at University of Aveiro – Portugal.

This meeting under the scope of European project Euro4Science 2.0 is co-organized by the Department of Biology, University of Aveiro, the National Institute of Legal Medicine and Forensic Sciences and the Faculty of Medicine, University of Coimbra.

As academic/researcher and/or professional related with forensic sciences we are inviting you to submit an abstract for presentation.

The meeting will feature a wide range of exciting talks, discussions, and networking opportunities with experts, researchers, and professionals related to forensic sciences teaching and training, including: innovative methods of teaching and training and alternative curricula proposals in view of the emerging challenges that face international security and the exciting scientific advances requiring permanent update.

Registration is free of charge - just fill the form at <http://euro4science2.eu/conference> or contact us by lsouto@ua.pt (please include as subject euro4science conference).

Your contributions can be presented in two formats: oral and poster presentations. For submission, guidelines follow Annex 1. The Scientific Committee can be found in Annex 2.

The deadline for abstracts submission is **April 12, 2019**.

We look forward to any contributions in terms of submission of abstracts, and for the participation of researchers/scholars from your institution beautiful city of Aveiro “a surprisingly cosmopolitan fishing town” in the words of the New York Times.

On behalf of the Scientific and Organizing Committees

Luís Souto

Forensic Genetics teacher at University of Aveiro, Euro4Science 2.0 European Coordinator

Annex 1
