EURO4SCIENCE 2.0

Spin Off of a Forensic Science Educational Strategy Promoting
Scientific Literacy and European Students Citizenship

International Conference on Forensic Science Education and Training

Venue: University of Aveiro
Dates 7th and 8th June

Register at: <http://euro4science2.eu/conference/>

Euro4Science 2.0 is a spin-off of the Euro4Science project. We use the CSI motto through crime cases to create challenges that students can solve using techniques such as blood type analysis while learning mathematics, chemistry and other STEM-based subjects in active and exciting way. Euro4Science 2.0 will expand and improve the Forensic Science Education Toolbox with materials and activities for teachers and students including activities related to environment, health and citizenship.

SCIENTIFIC COMMISSION

University of Aveiro

Amadeu Soares (Full Professor, Director of the Department of Biology, University of Aveiro, Portugal)

Carlos Fernandes (Full Professor, Director of the Department of Education and Psychology, University of Aveiro)

Luís Souto (Assistant Professor, Biology and Forensic Genetics, Euro4Science 2.0 coordinator)

University of Santiago de Compostela

Angel Carracedo (Full Professor, Director of the Fundación Pública de Medicina Xenómica-SERGAS)

Innsbruck Medical University

Walther Parson, Associate Professor at the Institute of Legal Medicine, Innsbruck Medical University

University of Coimbra

Duarte Nuno Vieira (Full Professor and Dean of the Faculty of Medicine, Chairman of the Scientific Advisory Board of the International Criminal Court)

National Institute of Forensic Medicine and Forensic Sciences

Francisco Corte-Real (President of Institute of Legal Medicine, Portugal, Professor at the Faculty of Medicine of the University of Coimbra)

Eugénia Cunha (Full Professor, coordinator of Forensic Anthropology Institute of Legal Medicine, Portugal)

Agostinho Santos – Director of the Forensic Clinical and Pathology Service of the Northern Delegation of Institute of Legal Medicine, Portugal.

Laura Cainé - Specialist in Legal Medicine at the National Institute of Forensic Medicine and Forensic Sciences. Invited Assistant Professor at the Faculty of Medicine of the University of Porto.

Judicial Police, Portugal

Carlos A. L. Farinha, Deputy National Director

Alexandra André (Director of the Scientific Police laboratory LPC)

Andreia Vieira (LPC)

Scientific Conference on Forensic Science Education

Venue: Auditorium of the Department of Environment (DAO), Universidade de Aveiro, Portugal

Date: 7th June 2019

The International Conference will discuss different approaches to forensic sciences teaching and training, including innovative methods of teaching and training and alternative curricula proposals in view of the emerging challenges that face international security and the exciting scientific advances requiring permanent update. This conference results from a co-organization of the University of Aveiro (Department of Biology, area of) with the National Institute and Legal Medicine of Portugal and the Faculty of Medicine of the University of Coimbra – Chair of Legal Medicine and is intended for teachers, researchers and professionals in the various areas of Forensic Medicine and Forensic Sciences.

Euro4Science Final Conference

Venue: Auditorium of the Department of Environment (DAO), Universidade de Aveiro, Portugal

Date: 8th June 2019

The Final Conference of Euro4Science 2.0 is a satellite meeting to the International Conference on Forensic Science Education and Training dedicated to teachers from basic and secondary schools and other professionals related to science education and scientific divulgation. During the Euro4science 2.0 Final Conference schools having participated in the project network and used the “Forensic Science Educational Toolbox” will have an opportunity to show and discuss their forensic inspired proposals. This will be also an occasion for new participants to gather the international network of this appealing and motivating educational strategy.
